Set 10.

4.

1

A foggy day in London town and it had me low, it had me down.

I viewed the morning with much alarm, the British Museum had lost its charm.

How long I wondered could this thing last? But the age of miracles hadn't past.

And suddenly I saw you standing right there.

And in foggy London town, the sun was shining everywhere.

2

I got plenty of nothing

I got plenty of nothing, and nothing's plenty for me.

I got no car, got no mule, I got no misery. Folks with plenty of plenty,

they've got a lock on their door. Afraid somebody's gonna rob em'

While they're out making morewhat for?

I got no lock on the door, that's no way to be.

They can steal the rug from my floor, that's okay by me,

Cause the things that prize, like the stars in the skies are free.....

Oh, I got plenty of nothing, and nothing's plenty for me.

I got my gal, got my song, got heaven the whole day long.

got my gal, got my love, got my song.....

4

Love is here to stay

It's very clear, our love is here to stay, not for a year, but ever and a day.
The radio and the telephone and the movies that we know,
May just be passing fancies, and in time may go.
But oh my dear, our love is here to stay, together we're going a long long way.
In time the Rockies may crumble, Gibraltar may tumble.
They're only made of clay, but, our love is here to stay.

5

Love walked right in

Love walked right in and drove the shadows away,
Love walked right in and brought my sunniest day. One magic moment,
And my heart seemed to know, that love said, "Hello."
Though not a word was spoken. One look and I forgot the gloom of the past.
One look and I had found my future at last. One look and I had found,
a world completely new, when love walked in with you.

6

Summertime

Summertime and the livin' is easy. Fish are jumping and the cotton is high.
Oh your daddy's rich, and your mammy's good lookin'
So hush little baby, don't you cry.
One of these mornings, you're gonna rise up singing, then you'll spread your wings,
And you'll take to the sky, but till that morning, there's a nothing can harm you.
With your daddy and mammy, standing by.

7. **Embrace Me**

Embrace me
My sweet embraceable you!
Embrace me,
You irreplaceable you!
Just one look at you, my heart grew tipsy in me
You and you alone bring out the gypsy in me!
I love all
The many charms about you
Above all
I want my arms about you.
Don't be a naughty baby
Come to papa, come to papa, do!
My sweet embraceable you

8. **Liza**

Liza, Liza, skies are gray,
But if you'll smile on me
All the clouds -'ll roll a way.
Liza, Liza, don't' delay,
Come, keep me company,
And the clouds -'ll roll away.
See,
The honeymoon a shinin' down,
We,
Should make a date with Parson Brown
So, Liza, Liza, name the day
When you belong to me
And the clouds -'ll roll away.

9. Swanee

I've been away from you a long time
I never thought I'd miss you so
Somehow I feel
Your love was real
Near you I love to be
The birds are singing, It is song time
The banjos strummin' soft and low
I know that you
Yearn for me too
Swanee
You're calling me.

[Refrain]

Swanee
How I love you, how I love you my dear old Swanee
I'd give the world, to, be, among the folks,
In, D-I-X-I-Even now my Mammy's
Waiting for me, praying for me down by the Swanee
The folks up north will see me no more
When I go to the Swanee shore

10. Stairway To Paradise

I'll build a stairway to Paradise with a new step every day!
I'm going to get there at any price stand aside I'm on my way!
I've got the blues
And up above it's so fair
Shoes!
Go on and carry me there!
I'll build a stairway to Paradise
With a new step every day

11. They Can't Take That Away From Me

The way you wear your hat, the way you sip your tea,
The mem'ry of all that, no, no, They Can't Take That Away From Me.

The way your smile just beams, the way you sing off key,
The way you haunt my dreams, no no, They Can't Take That Away From Me.

We may never, never meet again on the bumpy road to love;
Still I'll always, always keep the mem'ry of,

The way you hold your knife, the way we danced till three,
The way you've changed my life, no, no They Can't Take That Away From Me.

12. Fascinating Rhythm

Fascinating Rhythm, you've got me on the go.
Fascinating Rhythm, I'm all aquiver.
What a mess you're making, the neighbours want to know,
Why I'm always shaking, just like a fliver.

Each morning I get up with the sun, start a-hopping, never stopping,
To find at night, no work has been done. I know that,

Once it didn't matter, but now you're doing wrong,
When you start to patter, I'm so unhappy.
Won't you take a day off, decide to run along?
Somewhere far away off and make it snappy!
Oh how I long to be the man I used to be!
Fascinating Rhythm, oh won't you stop picking on me!

13. I Got Rhythm

I Got Rhythm, I got music, I got my man, who could ask for anything more?
I got daisies in green pastures, I got my man, who could ask for anything
more?

Old man trouble, I don't mind him.
You won't find him round my door.

I got starlight, I got sweet dreams, I got my man, who could ask for anything
more?
Who could ask for anything more?

14. Someone to Watch Over Me

There's a somebody I'm longing to see,
I hope that he turns out to be,
Someone who'll watch over me.

I'm a little lamb who's lost in the wood.
I know I could, always be good,
To one who'll watch over me.

Although he may not be the man some
Girls think of as handsome,
To my heart, he carries the key.

Won't you tell him please to put on some speed,
Follow my lead. Oh, how I need
Someone to watch over me.
