## Set 20

### 1. All I Have to Do is Dream

When I want you in my arms  
When I want you and all your charms  
Whenever I want you  
All I have to do is dream  
Dream, dream, dream

When I feel blue in the night  
And I need you to hold me tight  
Whenever I want you  
All I have to do is dream

I can make you mine  
Taste your lips of wine  
Anytime night or day  
Only trouble is  
Gee whiz  
I'm dreamin' my life away

I need you so, that I could die  
I love you so and that is why  
Whenever I want you  
All I have to do is dream  
Dream, dream, dream, dream.

## 2. All My Loving

Close your eyes and I'll kiss you  
Tomorrow I'll miss you  
Remember I'll always be true  
And then while I'm away  
I'll write home every day  
And I'll send all my loving to you

I'll pretend that I'm kissing  
The lips I am missing  
And hope that my dreams will come true  
And then while I'm away  
I'll write home every day  
And I'll send all my loving to you

All my loving I will send to you  
All my loving, darling I'll be true  
All my loving, all my loving ooh  
All my loving I will send to you.

## 3. And I Love Her

I give her all my love, that's all I do.  
And if you saw my love, you'd love her too, And I Love Her.

She gives me everything, and tenderly.  
The kiss my lover brings, she brings to me, And I Love Her.

A love like ours, could never die, as long as I, have you near me.  
Bright are the stars that shine, dark is the sky.  
I know this love of mine, will never die; And I Love Her.

#### 4. April In Portugal

I found my April dream in Portugal with you  
When we discovered romance, like we never knew.  
My head was in the clouds, My heart went crazy too,  
And madly I said: "I love you."

Too soon I heard you say: "This dream is for a day."  
That's Portugal and love in April!  
And when the showers fell,  
Those tears I know so well,  
They told me it was spring fooling me.

I found my April dream in Portugal with you  
When we discovered romance, like I never knew.  
Then morning brought the rain,  
And now my dream is through  
But still my heart says "I love you."

#### 5. Are You Lonesome Tonight?

Are you lonesome tonight? Do you miss me tonight?  
Are you sorry we drifted apart?  
Does your memory stray to a bright summer day  
When I kissed you and called you sweetheart?  
Do the chairs in your parlor seem empty and bare?  
Do you gaze at your doorstep and picture me there?  
Is your heart filled with pain, shall I come back again?  
Tell me dear, are you lonesome tonight?  
Is your heart filled with pain, shall I come back again?  
Tell me dear, are you lonesome tonight?

## 6. As Long As He Needs Me

As long as he needs me, I know where I must be.  
I'll cling on steadfastly, As Long As He Needs Me.  
As long as life is long, I'll love him right or wrong,  
And somehow, I'll be strong, As Long As He Needs Me.

If you are lonely, then you will know,  
When someone needs you, you love them so.

I won't betray his trust, though people say I must.  
I've got to stay true, As Long As He Needs Me.

## 7. The Breeze and I

The Breeze and I are saying with a sigh that you no longer care.  
The Breeze and I are whispering goodbye to dreams we used to share.

Ours was a love song that seemed constant as the moon  
Ending in a strange mournful tune.  
And all about me, they know you departed without me,  
And we wonder why, The Breeze and I.

## 8. Balling The Jack

First you put your two knees close up tight.  
Then you sway 'em to the left, then you sway 'em to the right.  
Step around the floor kind of nice and light,  
Then you twist around and twist around with all your might.

Stretch your lovin' arms straight out in space  
Then you do the Eagle Rock with style and grace.  
Swing your foot way round, then bring it back,  
Now that's what I call Ballin' the Jack.

## 9. Bonanza (TV Theme)

We gotta right to pick a little fight, Bonanza.  
If anyone fights anyone of us, he's gotta fight with me.  
We're not a one to saddle up and run, Bonanza.  
Anyone of us who starts a little fuss,  
Knows he can count on me.

One for four, Four for one, this we guarantee.

We gotta right to pick a little fight, Bonanza.  
If anyone fights anyone of us, he's gotta fight with me.

This is night I'm gonna hit a bright Bonanza  
I betta buck I hit o' bitta luck  
That's how its gonna be.  
I'm gonna light the middle of the night, Bonanza  
I'm gonna go with the glitter and the glow, that's how it is with me.

I'm in love, she's in love, I don't have to guess.  
I'll enfold more than gold when she answers "Yes"!

This is the deal that's gonna bring a real Bonanza.  
I'm in a whirl with a pretty little girl and she's in love with me.

## 10. Both Sides Now

Rows and flows of angel hair, and ice cream castles in the air;  
And feather canyons everywhere, I've looked at clouds that way.  
But now they only block the sun, they rain and snow on everyone.  
So many things I would have done, but clouds got in my way.  
I've looked at clouds from both sides now, from up and down,  
And still somehow,  
It's cloud illusions I recall, I really don't know clouds at all.

Moons and Junes and Ferris wheels, the dizzy dancing way you feel  
As every fairy tale comes real, I've looked at love that way.  
But now it's just another show, you leave 'em laughing when you go  
And if you care, don't let them know; don't give yourself away.  
I've looked at love from both sides now, from give and take somehow,  
It's love's illusions I recall, I really don't know love at all.

Tears and fears and feeling proud, to say "I love you," right out loud."  
Dreams and schemes and circus crowds, I've looked at life that way.  
But now old friends are acting strange, they shake their heads,  
They say I've changed,  
But something's lost, and something's gained, in living every day.  
I've looked at life from Both Sides Now,  
From win and lose and still somehow,  
It's life's illusions I recall, I really don't know life at all.

## 11. The Boy Next Door

The moment I saw him smile, I knew he was just my style.  
My only regret is we've never met, for I dream of him all the while.

But he doesn't know I exist, no matter how I may persist,  
So it's clear to see there's no hope for me  
Though I live at fifty-one-thirty-five Kensington Avenue  
And he lives at fifty-one-thirty-three

How can I ignore Boy Next Door, I love him more than I can say.  
Doesn't try to please me, doesn't even tease me  
And he never sees me glance his way.

And though I'm heart-sore, the boy next door  
Affection for me won't display  
I just adore him, so I can't ignore him  
The Boy Next Doo.

## 12. Caissons Go Rolling Along

Over hill, over dale, we have hit the dusty trail,  
And those caissons go rolling along.  
Counter march, right about , hear those wagon soldiers shout,  
While those caissons go rolling along.

*For it's hi! hi! hee! In the Field Artillery,  
Call out your numbers loud and strong,  
And where e'er we go, you will always know,  
That those caissons go rolling along.*

### 13. Can't Buy Me Love

I'll buy you a diamond ring my friend if it makes you feel alright  
I'll get you anything my friend if it makes you feel alright  
For I don't care too much for money, and money Can't Buy Me Love.

I'll give you all I got to give if you say you love me too  
I may not have a lot to give but what I've got I'll give to you  
For I don't care too much for money, money Can't Buy Me Love.

Can't buy me love, everybody tells me so.  
Can't buy me love, no no no, no.

Say you don't need no diamond ring and I'll be satisfied  
Tell me that you want the kind of thing that money just can't buy  
For I don't care too much for money, money Can't Buy Me Love.  
Can't Buy Me Love, Can't Buy Me Love.

### 14. Dear Heart

Dear Heart, wish you were here  
To warm this night  
My Dear Heart seems like a year  
Since you've been out of my sight.

A single room, a table for one  
It's a lonesome town all right  
But soon I'll kiss you hello  
At our front door.  
And Dear Heart, I want you to know  
I'll leave your arms never more.

## 15. Don't Cry For Me Argentina

Don't Cry For Me Argentina, the truth is I never left you,  
All through my wild days, my mad existence  
I kept my promise, don't keep your distance.

And as for fortune, and as for fame, I never invited them in  
Though it seemed to the world they were all I desired.

They are illusions  
They are not the solutions they promised to be  
The answer was here all the time  
I love you and hope you love me.

Don't Cry For Me Argentina, the truth is I never left you,  
All through my wild days, my mad existence  
I kept my promise, don't keep your distance.

## 16. Eternally

I'll be loving you, Eternally.  
With a love that's true, Eternally.  
From the start within my heart it seems I've always known.  
The sun would shine when you were mine and mine alone.

I'll be loving you, Eternally.  
There'll be no-one new, my dear, for me.  
Though the sky should fall remember I shall always be  
Forever true and loving you, Eternally.

## 17. Downtown.

When you're alone and life is making you lonely,  
You can always go Downtown.

When you've got worries,  
All the noise and the hurry  
Seems to help, I know, Downtown.

Just listen to the music of the traffic in the city.  
Linger on the sidewalk where the neon signs are pretty.  
How can you lose?

The lights are much brighter there,  
You can forget all your troubles, forget all your cares,  
So go Downtown, things'll be great when you're Downtown,  
No finer place for sure, Downtown,  
Everything's waiting for you, Downtown.

Don't hang around and let your problems surround you  
There are movie shows, Downtown.  
Maybe you know some little places to go  
Where they never close, Downtown.

Just listen to the rhythm of a gentle bossanova,  
You'll be dancing with 'em too before the night is over.  
Happy again.

The lights are much brighter there,  
You can forget all your troubles, forget all your cares  
And go Downtown where all the lights are bright, Downtown,  
Waiting for you tonight, Downtown,  
You're gonna be alright now.

## 18. Everybody's Got A Home But Me

I rode by a house with the windows lighted up  
Lookin' pretty as a Christmas tree.  
And I said to myself as I rode by myself,  
Ev'rybody's Got a Home But Me.

I rode by a house where the moon was on the porch,  
And a girl was on her feller's knee.  
And I said to myself as I rode by myself,  
Ev'rybody's Got a Home But Me.

I am free and I'm happy to be free,  
To be free in the way I want to be.  
But once in a while when I'm talking to myself  
And there's no one there to disagree,  
I look up and I cry to a big empty sky:  
'Won't there ever be a home for me, somewhere?  
Ev'rybody's Got a Home But Me.

## 19. Fine and Dandy

Gee, it's all Fine and Dandy, Sugar Candy, when I've got you.  
Then I only see the sunny side, even trouble has its funny side  
When you're gone, Sugar Candy, I get lonesome, I get so blue  
But when you're handy, it's Fine and Dandy  
But when you're gone, what can I do?

## 20. Feed The Birds, Tuppence a Bag

Early each day to the steps of Saint Paul's  
The little old bird woman comes  
In her own special way to the people she calls,  
"Come, buy my bags full of crumbs;  
Come feed the little birds, show them you care.  
And you'll be glad if you do,  
The young ones are hungry, the nests are so bare,  
All it takes is tuppence from you.

Feed The Birds, tuppence a bag  
Tuppence, tuppence, tuppence a bag  
Feed the Birds," that's what she cries  
While overhead, her birds fill the skies.

All around the cathedral the saints and apostles  
Look down as she sells her wares,  
Although you can't see it, you know they are smiling  
Each time someone shows that he cares.

Though her words are simple and few  
Listen, listen, she's calling to you:  
"Feed the Birds, Tuppence a Bag  
Tuppence, tuppence, tuppence a bag."

## 21. The Gypsy Rover

The Gypsy Rover came over the hill,  
Bound through the valley so shady.  
He whistled and he sang till the green woods rang  
And he won the heart of a lady.

*Ah-di-doo, ah-di-doo-da, day.*

*Ah-di-doo, ah-di-day-di.*

*He whistled and he sang till the green woods rang  
And he won the heart of a lady.*

She left her father's castle gate,  
She left her own true lover.  
She left her servants and her estate,  
To follow the Gypsy Rover.

*Chorus*

Her father saddled his fastest steed,  
Roamed the valley all over,  
Sought his daughter at great speed,  
And the whistling Gypsy Rover.

*Chorus*

He came at last to a mansion fine,  
Down by the River Clady.  
And there was music and there was wine  
For the gypsy and his lady.

*Chorus*

"He's no gypsy my father," said she.  
"My lord of freelands all over,  
And I will stay till my dying day,  
With my whistling Gypsy Rover."

*Chorus*

## 22. Give A Little Whistle Song

When you get in trouble and you don't know right from wrong,  
Give a Little Whistle! (*whistle*) Give a Little Whistle! (*whistle*)  
When you meet temptation and the urge is very strong,  
Give a Little Whistle! (*whistle*) Give a Little Whistle! (*whistle*)

Not just a little squeak, pucker up and blow.  
And if your whistle's weak, yell: "Jiminy Cricket!"

Take the straight and narrow path and if you start to slide,  
Give a Little Whistle! (*whistle*) Give a Little Whistle! (*whistle*)  
And always let your conscience be your guide.

## 23. Hey There

Hey There you with the stars in your eyes  
Love never made a fool of you  
You use to be too wise.  
Hey There you on that high flyin cloud  
Though he won't throw a crumb to you  
You think someday he'll come to you  
Better forget him, him with his nose in the air  
He has you dancing on a string  
Break it and he won't care.

Won't you take this advice I hand you like a mother  
Or are you not seeing things too clear  
Are you too much in love to hear  
Is it all going in one ear and out the other.

## 24. If You Love Me Really Love Me

If the sun should tumble from the skies.

If the sea should suddenly run dry

If You Love Me Really Love Me, let it happen I won't care.

If it seems that everything is lost, I will smile and never count the cost.

If You Love Me Really Love Me, let it happen darling I won't care.

Shall I catch a shooting star, shall I bring it where you are,

If you want me to I will.

You can set me any task, I'll do anything you ask,

If you only say you love me still.

When at last our life on earth is through,

I will share eternity with you.

If You Love Me Really Love Me,

Let it happen, Darling, I won't care.

## 25. To Dream the Impossible Dream

To Dream the Impossible Dream, to fight the unbeatable foe,

To bear with unbearable sorrow, to run where the brave dare not go.

To right the unrightable wrong, to love pure and chaste from afar,

To try when your arms are too weary, to reach the unreachable star.

This is my quest, to follow that star,

No matter how hopeless, no matter how far.

To fight for the right, without question or pause,

To be willing to march into Hell, for a heavenly cause.

And I know if I'll only be true, to this glorious quest

That my heart will lie peaceful and calm, when I'm laid to my rest.

And the world will be better for this,

That one man, scorned and covered with scars,

Still strove with his last ounce of courage,

To reach the unreachable star.

## 26. In My Life

There are places I remember  
In my life though some have changed.  
Some forever not for better,  
Some have gone and some remain.  
All these places have their moments  
With lovers and friends I still can recall.  
Some are dead and some are living,  
In My Life I've loved them all.

But of all these friends and lovers  
There is no one compares with you  
And these memories lose their meaning  
When I think of love as something new.

Though I know I'll never lose affection  
For people and things that went before  
I know I'll often stop and think about them  
In My Life I love you more.

Though I know I'll never lose affection  
For people and things that went before,  
I know I'll often stop and think about them  
In My Life I love you more. In My Life I love you more.

27. I've Grown Accustomed to Her Face.

I've Grown Accustomed to Her Face.  
She almost makes the day begin.  
I've grown accustomed to the tune  
She whistles night and noon.  
Her smiles, her frowns, her ups, her downs  
Are second nature to me now;  
Like breathing out and breathing in.  
I was serenely independent and content before we met;  
Surely I could always be that way again-and yet  
I've grown accustomed to her looks;  
Accustomed to her voice;  
So Accustomed to her face.

28. I Will Wait For You

If it takes forever I Will Wait For You  
For a thousand summers I will wait for you  
Till you're back beside me, till I'm holding you  
Till I hear you sigh here in my arms.

Anywhere you wander, anywhere you go  
Every day remember how I love you so.  
In your heart believe what in my heart I know  
That forevermore I'll wait for you.

The clock will tick away the hours one by one  
Then the time will come when all the waiting's done  
The time when you return and find me here and run  
Straight to my waiting arms

If it takes forever I Will Wait For You  
For a thousand summers I Will Wait For You  
Till you're here beside me, till I'm touching you  
And forevermore sharing your love.

## 29. From Russia With Love

From Russia With Love, I fly to you, much wiser since my goodbye to you.

I've traveled the world to learn I must return From Russia with Love.

I've seen places, faces and smiled for a moment,

But oh you haunted me so.

Still my tongue-tied young pride would not let my love for you show

In case you'd say no.

To Russia I flew but there and then, I suddenly knew you'd care again.

My running around is through, I fly to you From Russia With Love.

## 30. Where do I Begin? ( *Theme from Love Story* )

Where Do I Begin to tell the story of how great a love can be?

The sweet love story that is older than the sea,

The simple truth about the love she brings to me.

Where do I start?

With her first hello, she gave meaning to this empty world of mine.

There'd never be another love, another time,

She came into my life and made the living fine.

She fills my heart.

She fills my heart with very special things,

With angels' songs and wild imaginings,

She fills my my soul with so much love,

That anywhere I go, I'm never lonely.

With her around, who could be lonely?

I reach for her hand, it's always there.

How long does it last, can love be measured by the hours in a day?

I have no answers now, but this much I can say,

I know I'll need here till the stars all burn away.

And she'll be there.

### 31. I Remember You

I Remember You. You're the one who made my dreams come true,  
a few kisses ago.

I Remember You. You're the one, who said, "I love you too"; I do.  
Didn't you know?

I remember too a distant bell and stars that fell,

Like rain out of the blue.

When my life is through and the angels ask me to recall

The thrill of it all,

Then I will tell them, I Remember You.

### 32. It Might As Well Be Spring

I'm as restless as a willow in a windstorm,

I'm as jumpy as a puppet on a string.

I'd say that I had spring fever, but I know it isn't spring.

I am starry-eyed and vaguely discontented,

Like a nightingale without a song to sing.

Oh, why should I have spring fever, when it isn't even spring?

I keep wishing I were somewhere else,

Walking down a strange new street.

Hearing words that I have never heard

From a man I've yet to meet.

I'm as busy as a spider spinning daydreams,

I'm as giddy as a baby on a swing.

I haven't seen a crocus or a rosebud, or a robin on the wing.

But I feel so gay, in a melancholy way,

That it might as well be Spring, it might as well be, Spring.

### 33. King of the Road

Trailer for sale or rent, rooms to let, fifty cents.  
No phone, no pool, no pets, I ain't got no cigarettes  
Ah, but, two hours of pushin' broom,  
Buys an eight by twelve four-bit room,  
I'm a man of means by no means, King of the Road.

Third boxcar, midnight train, destination, Bangor, Maine.  
Old worn out suit and shoes,  
I don't pay no union dues,  
I smoke old stogies I have found short, but not too big around,  
I'm a man of means by no means, King of the Road.

I know every engineer on every train,  
All of their children, and all of their names,  
And every handout in every town  
And every lock that ain't locked, when no one's around.

I sing, trailer for sale or rent, rooms to let, fifty cents.  
No phone, no pool, no pets, I ain't got no cigarettes,  
Ah, but, two hours of pushin' broom  
Buys an eight by twelve four-bit room,  
I'm a man of means by no means, King of the Road.
