

## Set 22

### 1. Puff The Magic Dragon

Puff, the Magic Dragon lived by the sea  
And frolicked in the autumn mist in a land called Honah Lee,  
Little Jackie Paper loved that rascal Puff,  
And brought him strings and sealing wax and other fancy stuff. Oh

*Chorus: Puff, the Magic Dragon lived by the sea  
And frolicked in the autumn mist in a land called Honah Lee,  
Puff, the Magic Dragon lived by the sea  
And frolicked in the autumn mist in a land called Honah Lee.*

Together they would travel on a boat with billowed sail  
Jackie kept a lookout perched on Puffs gigantic tail,  
Noble kings and princes would bow whene'r they came,  
Pirate ships would lower their flag when Puff roared out his name.  
Oh!

*Chorus*

Dragons live forever but not so little boys  
Painted wings and giant rings make way for other toys.  
One gray night it happened, Jackie Paper came no more  
And Puff that mighty dragon, he ceased his fearless roar.

His head was bent in sorrow, green scales fell like rain,  
Puff no longer went to play along the cherry lane.  
Without his life-long friend, puff could not be brave,  
So Puff that mighty dragon sadly slipped into his cave. oh!

*Chorus*

## 2. Rainbow Connection

Why are there so many songs about rainbows,  
And what's on the other side.

Rainbows are visions, but only illusions  
And rainbows have nothing to hide.

So we've been told and some choose to believe it,  
I know they're wrong, wait and see,  
Someday we'll find it, the Rainbow Connection  
The lovers, the dreamers, and me.

Who said that every wish would be heard and answered,  
When wished on the morning star.  
Somebody thought of that and someone believed it,  
And look what it's done so far.

What's so amazing that keeps us stargazing,  
And what do we think we might see.  
Someday we'll find it the Rainbow Connection,  
The lovers, the dreamers, and me.

All of us under its spell, we know that it's probably magic.

Have you been half asleep? And have you heard voices?  
I've heard them calling my name.  
Is this the sweet sound that called the young sailors?  
The voice might be one in the same.

I've heard it too many times to ignore it,  
It's something that I'm supposed to be.  
Someday we'll find it the Rainbow Connection,  
The lovers, the dreamers and me.

### 3. Send in the Clowns

Isn't it rich, are we a pair?

Me here at last on the ground, you in mid-air,  
Send in the Clowns.

Isn't it bliss, don't you approve?

One who keeps tearing around, one who can't move.  
Where are the clowns? Send in the Clowns.

Just when I stopped opening doors

Finally knowing the one that I wanted was yours,  
Making my entrance again with my usual flair  
Sure of my lines no one is there.

Don't you love farce? My fault I fear.

I thought that you'd want what I want, sorry my dear; but where are  
the clowns?

Quick, Send in the Clowns, don't bother they're here.

### 4. The Shadow of Your Smile

The Shadow of Your Smile, when you are gone.

Will color all my dreams, and light the dawn.

Look into my eyes my love and see,

All the lovely things you are to me.

Our wistful little star was far too high.

A teardrop kissed your lips and so did I.

Now when I remember spring, all the joy that love can bring,

I will be remembering, The Shadow of Your Smile.

## 5. Takin a Chance on Love

Here I go again, I hear the trumpets blow again.

I'm all aglow again Takin a Chance on Love.

Here I slide again, about to take the ride again.

Starry eyed again Takin a Chance on Love.

I thought that cards were a frame-up, I never would try.

But now I'm taking the game up and the ace of hearts is high.

Things are mendin' now, I see a rainbow blendin' now.

We'll have a happy endin' now, Takin a Chance on Love.

Here I slip again, about to take that trip again.

Got my grip again, Taking a Chance on Love.

Now I prove again, that I can make life move again.

In the grove again, Takin a Chance on Love.

I walk around with a horseshoe, in clover I lie;

And Brother Rabbit of course you, better kiss your foot good-bye.

On the ball again, I'm riding for a fall again.

I'm gonna give my all again, Takin a Chance on Love.

## 6. Smile

Smile though your heart is aching, Smile even though it's breaking.

When there are clouds in the sky you'll get by,

If you Smile through your fear and sorrow, Smile and maybe

tomorrow, you'll see the sun come shining through, for you.

Light up your face with gladness, hide every trace of sadness.

Although a tear may be ever so near, that's the time you must keep on

trying, Smile, what's the use of crying.

You'll see that life is still worthwhile-if you'll just Smile.

## 7. Smoke Gets in Your Eyes

They asked me how I knew, my true love was true.  
I of course replied, something here inside, cannot be denied.  
They said "someday you'll find, all who love are blind"  
When your heart's on fire, you must realize,  
Smoke Gets in Your Eyes.

So I chaffed them and I gaily laughed,  
To think they could doubt my love.  
Yet today my love has flown away, I am without my love.

Now laughing friends deride, tears I cannot hide.  
So I smile and say, when a lovely flame dies,  
Smoke Gets in Your Eyes.

## 8. Tenderly

The evening breeze caressed the trees Tenderly.  
The trembling trees embraced the breeze Tenderly.  
Then you and I came wandering by  
And lost in a sigh were we.

The shore was kissed by sea and mist Tenderly.  
I can't forget how two hearts met breathlessly.  
Your arms opened wide and closed me inside,  
You took my lips, you took my love so Tenderly.

## 9. Some Enchanted Evening

Some Enchanted Evening, you may see a stranger,  
You may see a stranger, across a crowded room,  
And somehow you know, you know even then,  
That somewhere you'll see her, again and again.

Some Enchanted Evening, someone may be laughing,  
You may hear her laughing, across a crowded room  
And night after night, as strange as it seems,  
The sound of her laughter, will sing in your dreams.

Who can explain it? Who can tell you why?  
Fools give you reasons, wise men never try.  
Some Enchanted Evening, when you find your true love,  
When you feel her call you, across a crowded room,  
Then fly to her side, and make her your own,  
Or all through your life you may dream all alone.

Once you have found her, never let her go.  
Once you have found her, never let her go!

## 10. Sons Of

Sons Of the thief, Sons Of the Saint,  
Who is the child with no complaint?  
Sons Of the great or sons unknown  
All were children like your own.  
The same sweet smiles, the same sad tears  
The cries at night, the nightmare fears,  
Sons Of the great or sons unknown,  
All were children like your own.

So long ago: long, long, ago

But Sons Of tycoons or sons of the farms,  
All of the children ran from your arms.  
Through fields of gold, through fields of ruin,  
All of the children vanished too soon.  
In towering waves, in walls of flesh,  
Among dying birds trembling with death.  
Sons Of tycoons or Sons Of the farms,  
All of the children ran from your arms.

So long ago: long, long, ago

But Sons Of your sons or sons passing by.  
Children we lost in lullabies.  
Sons Of true love or Sons Of regret,  
All of the sons you cannot forget.  
Some built the roads, some wrote the poems,  
Some went to war, some never came home.  
Sons Of your sons or sons passing by,  
Children we lost in lullabies.

So long ago: long, long, ago.

## 11. South of the Border

South of the Border, down Mexico way  
That's where I fell in love when the stars above came out to play.  
And now as I wander, my thoughts ever stray,  
South of the Border, down Mexico way.

She was a picture in old Spanish lace  
Just for a tender while, I kissed the smile upon her face.  
For it was fiesta and we were so gay  
South of the Border, down Mexico way.

Then she smiled as she whispered manana,  
Never dreaming that we were parting.  
And I lied as I whispered manana, for our tomorrow never came.

South of the Border, I rode back one day.  
There in a veil of white, by candle light, she knelt to pray,  
But the mission bells told me, that I mustn't stay,  
South of the Border, down Mexico way.

Ay! Ay! Ay! Ay: Ay! Ay! Ay! Ay: Ay! Ay! Ay! Ay etc.

## 12. Somewhere

There's a place for us, Somewhere a place for us.  
Peace and quiet and open air, wait for us Somewhere.  
There's a time for us, someday a time for us,  
Time together with time to spare,  
Time to learn, time to care, someday! Somewhere!

We'll find a new way of living,  
We'll find a way of forgiving, Somewhere . . .

There's a place for us, a time and place for us.  
Hold my hand and we're halfway there.  
Hold my hand and I'll take you there,  
Somehow, someday, Somewhere!

## 13. This Nearly Was Mine

One dream in my heart, one love to be livin' for,  
One love to be livin' for, This Nearly Was Mine.  
One girl for my dream, one partner in paradise,  
This promise of paradise, This Nearly Was Mine.

Close to my heart she came, only to fly away,  
Only to fly as day flies from moonlight.

Now, now I'm alone, still dreamin' of paradise,  
Still sayin' that paradise, once nearly was mine.

#### 14. A Time for Us

A Time for Us, some day there'll be  
When chains are torn by courage born of a love that's free  
A time when dreams so long denied can flourish  
As we unveil the love we now must hide.

A Time for Us, at last to see  
A life worthwhile for you and me.

And with our love, through tears and thorns  
We will endure as we pass surely through every storm  
A Time for Us, some day there'll be a new world  
A world of shining hope for you and me.

#### 15. You're Nobody Till Somebody Loves You

You're Nobody Till Somebody Loves You,  
You're nobody 'til somebody cares.  
You may be king, you may possess the world and it's gold,  
But gold won't bring you happiness when you're growing old.

The world still is the same, you never change it  
As sure as the stars shine above.  
You're nobody 'til somebody loves you  
So find yourself somebody to love.

## 16. Time in a Bottle

If I could save Time in a Bottle,  
The first thing that I'd like to do  
Is to save every day  
'Til eternity passes away, just to spend them with you.

If I could make days last forever,  
If words could make wishes come true.  
I'd save every day like a treasure and then,  
Again, I would spend them with you.

But there never seems to be enough time  
To do the things you want to do, once you find them.  
I've looked around enough to know  
That you're the one I want to go through time with.

If I had a box just for wishes  
And dreams that had never come true.  
The box would be empty  
Except for the memory, of how they were answered by you.

But there never seems to be enough time  
To do the things you want to do, once you find them.  
I've looked around enough to know  
That you're the one I want to go through time with.

## 17. Today

Today while the blossom still clings to the vine,  
I'll taste your strawberries, I'll drink your sweet wine.  
A million tomorrows shall all pass away,  
Ere I forget all the joys that are mine Today.

I'll be a dandy and I'll be a rover  
You'll know who I am by the song that I sing.  
I'll feast at your table, I'll lie in your clover,  
I'll laugh and I'll cry and I'll sing.

Today while the blossom still clings to the vine,  
I'll taste your strawberries, I'll drink your sweet wine.  
A million tomorrows shall all pass away  
Ere I forget all the joys that are mine Today

I can't be contented with yesterday's glory  
I can't live on promises winter to spring.  
Today is my moment and now is my story,  
I'll laugh and I'll cry and I'll sing.

Today while the blossom still clings to the vine,  
I'll taste your strawberries, I'll drink your sweet wine.  
A million tomorrows shall all pass away,  
Ere I forget all the joys that are mine Today.

## 18. Try to Remember

Try to Remember the kind of September  
When life was slow and oh, so mellow.  
Try to Remember the kind of September  
When grass was green and grain was yellow.  
Try to Remember the kind of September  
When you were a tender and callow fellow.  
Try to Remember, and if you remember, then follow.  
Follow, follow, follow, follow...,etc.

Try to Remember when life was so tender  
That no one wept except the willow.  
Try to Remember when life was so tender  
That dreams were kept beside your pillow.  
Try to Remember when life was so tender  
That love was an ember about to billow.  
Try to Remember, and if you remember, then follow.  
Follow, follow, follow, follow, etc..

Deep in December, it's nice to remember,  
Although you know the snow will follow.  
Deep in December, it's nice to remember,  
Without a hurt, the heart is hollow.  
Deep in December, it's nice to remember,  
The fire of September that made us mellow.  
Deep in December, our hearts should remember and follow.  
Follow, follow, follow, follow, etc..

## 19 Two Different Worlds

Two Different Worlds, we live in Two Different Worlds  
For we've been told that a love like ours could never be.  
So far apart they say we're so far apart  
And that we haven't the right to change our destiny.

When will they learn that a heart doesn't draw a line?  
Nothing matters if I am yours and you are mine.

Two Different Worlds, we live in Two Different Worlds.  
But we will show them as we walk together in the sun,  
That our Two Different Worlds are one.

## 20. Under Paris Skies

Stranger beware, there's love in the air, Under Paris Skies;  
Try to be smart, don't let your heart, catch on fire!  
Love becomes king, the moment it's Spring, Under Paris Skies;  
Lonely heart meet, somewhere on the street of desire.

Parisian love can bloom high in a skylight room,  
Or in a gay café where hundreds of people can see!  
I wasn't smart, and I lost my heart, Under Paris Skies;  
Don't ever be, a heartbroken stranger like me!

Oh, I fell in love, yes I was a fool,  
For Paris can be, so beautifully cruel;  
Paris is just a gay coquette who wants to love and then forget.  
Stranger beware! There's love in the air!  
Just look and see what happened to me, Under Paris Skies;  
Watch what you do, the same thing can happen to you!

## 21. What the World Needs Now

What the World Needs Now is love, sweet love  
It's the only thing that there's just too little of.  
What the World Needs Now is love, sweet love,  
No not just for some but for everyone.

Lord, we don't need another mountain,  
There are mountains and hillsides enough to climb.  
There are oceans and rivers enough to cross,  
Enough to last till the end of time.

What the World Needs Now is love, sweet love  
It's the only thing that there's just too little of.  
What the World Needs Now is love, sweet love,  
No, not just for some but for everyone.

Lord, we don't need another meadow  
There are cornfields and wheat fields enough to grow.  
There are sunbeams and moonbeams enough to shine.  
Oh listen, lord, if you want to know.

What the World Needs Now is love, sweet love  
It's the only thing that there's just too little of  
What the World Needs Now is love, sweet love,  
No, not just for some but for everyone.  
No, not just for some but for everyone.

## 22. Would You Like to Take a Walk

**Mmm, Would You Like to Take a Walk?**

**Mmm, do you think it's gonna rain?**

**Mmm, how about a sasparilla?**

**Gee, the moon is yeller,**

**Sump'n good'll come from that.**

**Mmm, have you heard the latest song?**

**Mmm, it's a very pretty strain.**

**Mmm, don't you feel a little thrilly?**

**Gee, it's getting chilly,**

**Sump'n good'll come from that.**

**When you're strolling though the wherezis,**

**You need a whozis to lean upon.**

**But when you have no whozis,**

**To hug and whatzis, gosh, darn.**

**Mmm, Would You Like to Take a Walk?**

**Mmm, do you think it's gonna rain?**

**Mmm, ain't you tired of the talkies?**

**I prefer the walkies.**

**Sump'n good'll come from that.**

### 23. Walk Right In

Walk Right In, set right down,  
Daddy, let your mind roll on.  
Walk Right In, set right down,  
Daddy, let your mind roll on.  
Everybody's talkin' 'bout a new way of walkin'  
Do you want to lose your mind?  
Walk Right In, set right down,  
Daddy, let your mind roll on.

Walk Right In, set right down,  
Baby, let your hair hang down.  
Walk Right In, set right down,  
Baby, let your hair hang down.  
Everybody's talkin' 'bout a new way of walkin'  
Do you want to lose your mind?  
Walk Right In, set right down,  
Baby, let your hair hang down.
